In some cases clearances from UPSC have also been received and the same have been added to the concerned dossier. Position in this regard has been indicated in Annexure-IV.

8. The copies of the SC/ST/OBC certificates submitted by the candidates claiming to be belonging to these communities have been added to their respective dossiers. The claim of these candidates to belong to SC/ST/OBC has been accepted by the UPSC on the basis of the original certificates produced by them. As the cases have occurred where candidates had obtained SC/ST/OBC certificates even though they did not actually belong to those communities. It is, therefore, requested that necessary action may be taken to verify the veracity of these documents positively before making offer of appointment to the candidate concerned. Also, there may be some cases where though OBC certificates have been issued to the candidates, the "creamy layer" status may be doubtful keeping in view the income/status of the parents of the candidates as per declaration of the candidates in column 16 of the Detailed Application Form. These candidates have been provisionally treated as OBC candidates subject to the Govt. satisfying themselves about genuineness of their OBC claim. Before appointing such candidates, it may be ensured that they do not attract "Creamy Layer" provisions.

9. Since the appointment of the concerned candidate is subject to the candidates satisfying the appointing authority of his/her having satisfactorily completed the Compulsory Rotating Internship, the Cadre Controlling Authority should ensure and satisfy themselves before the candidates are appointed only after completing the Compulsory Rotating Internship satisfactorily. A copy of the offer of appointment as and when issued to the concerned candidates, after completion of all formalities as indicated above, may please be endorsed to the Union Public Service Commission who may also be informed as soon as the candidates join duty. In addition to this the Assessment Reports on the work and performance of candidates appointed should be made available to UPSC every year for a period of five years subsequent to their appointment. The concerned candidates may also be informed of their being allocated to the respective cadres.

10. The allocation of Physically Handicapped candidates have been done on the basis of functional classification and number of vacancies identified by the different cadre authorities and intimated to Union Public Service Commission.

The receipt of this letter and enclosures may be acknowledged.
