OFFICE MEMORANDUM

Subject: Implementation of Suo-Motu disclosure under Section 4 of the RTI Act, 2005-reg.

The undersigned is directed to refer to OM No. A.60011/120/2018-RTI Cell dated 18.2.2020 on the subject cited above and to say that so far as this Section is concerned, the information in respect of Public Private Partnership mode under National Health Mission (NHM) is furnished as under:

Public health and hospitals being a State subject, the primary responsibilities for the implementation of various health schemes in the country including implementation of health schemes through PPP mode vests with the State Governments. However, under National Health Mission (NHM) technical and financial support is provided to the States/UTs to strengthen their health systems, including support for provision of healthcare services through **Public Private Partnership mode**, based on the requirements posed by the States/UTs in their Annual Programme Implementation Plans (PIP) within their overall resource envelop. Towards this, based on consultation with States and other stakeholders, under NHM, Guidelines for provision of healthcare services under Public Private Partnership (PPP) mode have been circulated to all States/UTs. The copies of the same as available with this Section, are attached as under:

- Mobile Medical Units Services
- Provision of Free Diagnostics Service Initiative (Free Pathological Services, Free Tele radiology Services, Free CT Scan Services)
- Biomedical Equipment Management Maintenance Programme

- National Dialysis Programme

In this regard, it is also intimated that the above guidelines are already on the public domain as the same have already been uploaded on the NHM website.
